Complete Product Line, Competitive Pricing

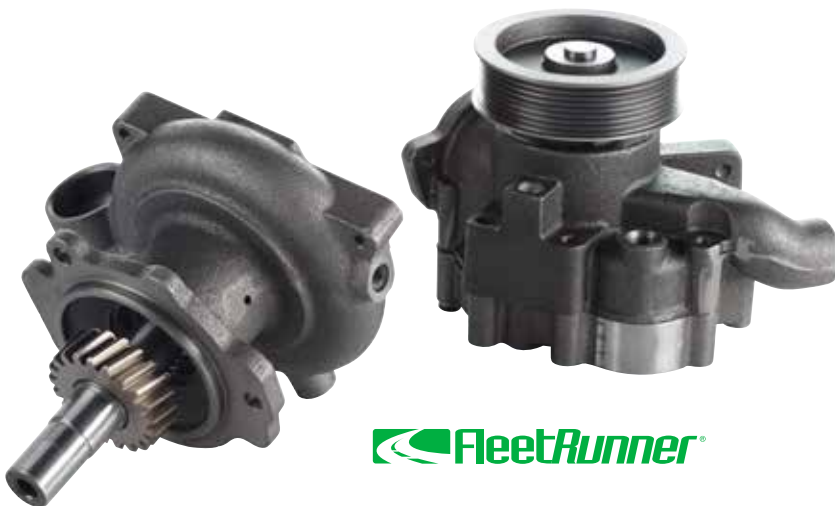

SKUS FOR VIRTUALLY ANY HEAVY-DUTY/FLEET APPLICATION

Gates' FleetRunner Heavy-Duty Water Pump product line offers high quality pumps at competitive pricing with full coverage, so you can get all the parts you need. Install FleetRunner and keep your fleet on the road and out of the shop.

FLEETRANNER® HEAVY-DUTY WATER PUMPS

ENSURE OE FIT AND FUNCTION

Gates' FleetRunner Water Pumps are constructed with premium materials, computer-tooled, and fitted with a precisely balanced impeller to ensure OE fit and function. Each pump undergoes a 100% functional test of seals and bearings, and a 100% leakage test for both the casting and assembled water pump.

GO WITH GATES QUALITY

As with all our heavy-duty products, you can count on high-quality, reliable parts that will deliver worry-free operation for the life of the vehicle.

- › Manufactured to ISO/TS 16949 standards
- › 100% fully tested unitized bearings and seals
- › Warrantied for 18 months or 150,000 miles/5,400 hours
- › Computerized machined surfaces for proper fit and sealing

POWERCLEAN IT

Inadequate flushing can ruin a newly installed water pump resulting in frustration and warranty problems. Perform a complete cooling system flush using the PowerClean™ Flush Tool which "water hammers" accumulated sludge and scale deposits without using harsh chemicals.
